# Sonshine Preschool 2-Year-Old Program

## Our Philosophy

At Sonshine Preschool, our goal is to create an environment that reflects God's love and character through the warmth, understanding and Christian conviction of each teacher. Music, Bible stories and day-to-day activities will give children the opportunity to experience the basic belief to "Love God and one another"

Children who are 2 years old by August 15 are eligible for enrollment in our 2-Year-Old program. Children do not need to be toilet trained.

Tuition is divided into 10 equal payments, September thru June regardless of attendance or holidays. Holidays usually coincide with Ventura Unified School District schedule.

Our Tuesday/Thursday class will require parents to be available to help in the classroom on a rotational basis. Parents will also rotate turns to be available as a substitute helper, in the event a parent substitute is needed.

Our Monday/Wednesday/Friday class will have a teacher and an aide, parent participation is not required. If parents are interested in helping in the classroom, the teacher will create a schedule based on needs and availability.

## Our 2-Year-Old program

Provides opportunities for children to become better acquainted with the fascinating world around them. In an unhurried and emotionally safe atmosphere, they have time to explore materials, nature, and relationships with children and adults.
