Established in 1983, Sonshine Preschool is a vital part of Orchard Community Church's ministry to children and families. Our capable, caring teachers lead children in a loving and creative environment which fosters growth in the early years of life.

Sonshine Preschool is licensed by the State of California Department of Social Services and is periodically inspected by a licensing agent. Our facility license is #451702583.

Jean Callahan, Director

Sonshine Preschool Program

Program Enrollment Information

Ages 3—5 years

Children who are 3 years old by September 1st and are fully potty trained are eligible for enrollment in our program

Tuition is divided into 10 equal payments, September through June, regardless of attendance or holidays. Holidays usually coincide with the Ventura Unified School district schedule.

Sonshine Preschool is a child-oriented school. Preschool children learn through creative play, firsthand experiences, and through the use of a variety of materials, both indoors and out.

We provide a safe environment where children are encouraged to make friends, become independent, develop self-esteem, develop self-control and make good choices.

Our philosophy

At Sonshine Preschool, our goal is to create an environment that reflects God's love and character through the warmth, understanding, and Christian conviction of each teacher. Music, Bible stories, and day-to-day activities will give children the opportunity to experience the basic belief to "love God and one another."

Our staff seeks to satisfy and develop the spiritual, emotional, physical, intellectual, social and creative needs of each child through our love and supportive behavior.

Our preschool program

provides opportunities for children to become better acquainted with the fascinating world around them. In an unhurried and emotionally safe atmosphere, they have time to explore materials, nature, and relationships with children and adults.

Our learning activities

Are integrated into delightfully directed days...

- Creative Art
- Music & Movement
- Block, Puzzles
- Imaginative Play
- Math, Science, Literature
- Outdoor Exploration
- Sand & Water Play
- Riding, Climbing, Running
- Field Trips & Special Visitors
