FALL 2022 REGISTRATION GUIDELINES

From **February 7 through February 14, 2022, priority** for fall enrollment will be given to children currently enrolled in our program and their siblings, to children of Orchard Community Church families, and to children of families who have attended Sonshine Preschool in the past.

*Beginning Tuesday morning, February 15, 2022 at 8:00am, registration will open to **all** families and will be accepted on a first come, first served basis. We hope to be able to accommodate your requests for days attending and to confirm your space in the program as you register.*

A **non-refundable registration fee** of \$95 for returning students or \$110 for new students must accompany each enrollment form.

A **tuition deposit** equal to one tuition payment is **due June 1, 2022**, or at the time of enrollment after that date, to confirm registration and assure your child's space in the program. This tuition deposit will be credited as the *tenth payment for the 2022 - 2023 school year* (or whichever month is the last month the child attends in that school year, if early withdrawal is required). This deposit is fully refundable until August 1, 2022, provided that notice is given in writing that your child will not attend in the fall.

A completed "Physician's Report", State form LIC 701, is needed for all new students. It is *due before the child is admitted into class. Completing the form as soon as you are able gives us time to review it and request any needed follow-up.* (You will receive this form when you register.)

The California Health Department now requires by law that all new students are fully immunized upon entry. See SB277 for more information.

Tuition for the school year is divided into 10 equal payments, regardless of attendance or holidays.
