Sonshine Preschool 2-Year-Old Program

Our Philosophy

At Sonshine Preschool, our goal is to create an environment that reflects God's love and character through the warmth, understanding and Christian conviction of each teacher. Music, Bible stories and day-to-day activities will give children the opportunity to experience the basic belief to "Love God and one another"

Children who are 2 years old by September 1st are eligible for enrollment in our 2-Year-Old program. Children do not need to be toilet trained.

Tuition is divided into 10 equal payments, September thru June regardless of attendance or holidays. Holidays usually coincide with Ventura Unified School District schedule.

Both our Monday/Wednesday/Friday class and our Tuesday/Thursday class will have a teacher and an aide, parent participation is not required. If parents are interested in helping in the classroom, the teacher will create a schedule based on needs and availability.
