

# Sonshine Preschool

8180 Telephone Road, Ventura

## FALL 2020 REGISTRATION GUIDELINES

From **January 28 through February 10, 2020**, **priority** for fall enrollment will be given to children currently enrolled in our program and their siblings, to children of Orchard Community Church families, and to children of families who have attended Sonshine Preschool in the past.

*Beginning Tuesday morning, February 11, 2020 at 8:00am*, registration will open to **all families** and will be accepted on a *first come, first served* basis. We hope to be able to accommodate your requests and to confirm your space in the program as you register.

Every attempt will be made to accommodate your requests for days attending, as space allows.

A **non-refundable registration fee** of \$75 for returning students or \$90 for new students must accompany each enrollment form.

A **tuition deposit** equal to one tuition payment is **due June 1, 2020**, or at the time of enrollment after that date, to confirm registration and assure your child's space in the program. This tuition deposit will be credited as the *tenth payment for the 2020 - 2021 school year* (or whichever month is the last month the child attends in that school year, if early withdrawal is required). This deposit is fully refundable until August 3, 2020, provided that notice is given in writing that your child will not attend in the fall. For written notice of withdrawal after August 3rd, the tuition deposit will be refunded only if the child's space can be filled with no loss of income to the preschool.

A completed **"Physician's Report"**, State form LIC 701, is needed for all new students. It is *due before the child is admitted into class*. *Completing the form as soon as you are able gives us time to review it and request any needed follow-up.* (You will receive this form when you register.) The California Health Department now requires by law that all new students are fully immunized upon entry. See SB277 for more information.

**Tuition for the school year is divided into 10 equal payments, regardless of attendance or holidays.**
